

TRI-FLOW® GETS IT MOVIN' IN A BIG WAY

Tri-Flow® Lubricants, an industry leader and preferred brand of bicycle enthusiasts 'Gets It Movin' with new products that help you grow your lubricant and cleaner category.

Tri-Flow® Superior Lubricant provides twice the lubricating power of most competitive brands.

High-grade petroleum oils and Teflon® provide optimum lubrication under extreme temperatures (-60° to 475° F) and humidity.

To find out more about stocking Tri-Flow Lubricants contact us at (800) 247-3270 for more information.

NEW Tri-Flow® Superior Lubricant Gallon Size

Tri-Flow® Superior Lubricant is now available in non-aerosol, one-gallon container (#TF26020). It's easy-to-pour, and store with built-in handle. The one-gallon size is perfect for a busy bike shop. It's great for refilling the drip bottles (4 and 6 oz.) and the Trigger Spray Bottle (18 oz.).
