## NEWS RELEASE:

### TRI-FLOW LUBRICANTS LAUNCHES NEW PIN-POINT LUBRICATOR

**APRIL 23, 2004** Cleveland, Ohio – Now the top quality of Tri-Flow Superior Lubricant with Teflon® is available in a pin-point lubricator. The Tri-Flow Pinpoint Lubricator is perfect for hard-to-reach areas. It allows ease of pin-point application of Tri-Flow Superior Lubricant, and features a protective pin-point cap and pocket clip for portability. Use it on bicycles for springs, cables, triggers, sprockets, or sewing machines, automotive, fishing equipment, firearms, nuts and bolts, etc.

The refillable Tri-Flow Pinpoint Lubricator can be easily filled using Tri-Flow Superior Lubricant in either the 2 or 6 oz. Drip Bottle.

Tri-Flow® is a superior lubricant containing high-grade petroleum oils, micronized Teflon®, corrosion inhibitors, moisture displacers, penetrating oils and special solvents to prevent corrosion. It is designed to go beyond ordinary lubricants to keep equipment operating at peak, under heavy load and high wear.

Part #TFBC20027

The Pinpoint Lubricator is packed on a blister card with dimensions, 3 7/8 x 7 7/8, perfect to hang on peghooks.

To find out more about stocking Tri-Flow lubricants, contact your distributor or call (800) 247-3270 for more information.

In addition to the Tri-Flow Pinpoint Lubricator, Tri-Flow Lubricants markets a full line of lubricants, degreasers and cleaners to the bicycle enthusiast market. Tri-Flow is a division of The Sherwin-Williams Company.

Teflon® is a registered trademark of the E. I. DuPont deNemours Company
